Dear Parents / Carer,

Your son/daughter/ward will be participating in practical cooking lessons this year in Home Economics (TAS). In order for your child to benefit fully from this program it is essential that we are notified of any special dietary requirement or allergies.

Unless notified in writing no alternative products will be provided.

Please complete the form below and return it to Mrs Shipley by the end of week 4.

If your child does have an allergy to food, but is not anaphylactic or require an epipen, please download the ASCIA Action Plan for Allergic Reactions form and forward this to Mrs Shipley in Home Economics who will see that this is filed appropriately and securely in the front office and that appropriate staff are notified.
